1.0 Policy/Procedure Background

This document sets out a clear and structured procedure for grant applications being submitted to Newquay Town Council.

This procedure is prepared in accordance with the Town Council's new policy on grants and introduces a new procedure for Officers to conduct initial filtering of applications against a set of criteria.

Newquay Town Council is empowered and committed to support a range of causes each year within a limited budget. It is therefore imperative that the Town Council has in place an established method of scrutinising grant applications to ensure it uses its budget to the best possible effect.

1.1 Policy Statement

A grant or subsidy is any payment made by Newquay Town Council to be used by an organisation for a specific purpose in the furtherance of the wellbeing of the community, either generally, or for a specific purpose and which is not directly controlled or administered by Newquay Town Council. The purpose of any grant or subsidy given by Newquay Town Council is to support initiatives in the local community and to help create opportunities for the residents of Newquay that are not, as a matter of course, funded by Newquay Town Council or Cornwall Council.

2.0 General Principals

2.0.1 Grant applications must be fully completed and assessed against a set of criteria laid down by members of Newquay Town Council.

2.0.2 If a grant application is refused by an officer, then an appeal procedure can be implemented under certain circumstances and within a set deadline.

2.0.3 If an application is:

2.0.3.1 *not called in by a relevant number of Town Councillors*

2.0.3.2 *is refused on appeal*

2.0.3.3 *is not appealed within the deadline set or*

2.0.3.4 *has been turned down by members at a previous Committee meeting*

2.0.4 then a new request/re-application or a request of a similar nature will automatically be turned down for a period of not less than 12 months' time from the date the previous application was turned down without the ability to appeal.

3.0 Application Process

Key:

A. Apply

An application is made using the Grant Application Form (Copy is in Appendix 1)

B. Officer Review

An officer reviews the application against a set of criteria, which can be found in the Normal Eligibility Criteria section of this document and either issues a Refusal Notice (with details of the appeals procedure) or Progresses it to a Committee meeting (usually Finance and Policy {F&P}).

C. Officer Refusal

As soon as an Officer Refusal Notice is issued, the applicant will be sent a copy and given 30 days to appeal. Members of the F&P Committee will be sent a copy of the notice in-case they wish to call-in an application themselves.

3.1 Appeal Time

Applicants have 30 days from the Notice to appeal the Officer Refusal Notice or for 1 member of the F&P Committee or 2 Non-F&P Committee members to call-in the application.

3.1.A Appeal Refused or No Appeal Lodged

Either the Appeal is refused by either the The Town Clerk, or an officer on behalf of the Town Clerk, and the Chairman/Vice Chairman of the F&P Committee (where relevant) or no appeal has been applied for within the 30 day deadline.

3.1.B Successfully Appealed or Called-in

Either the Appeal has been successful or the application has been called in by either 1 member of the F&P Committee or 2 Non-F&P Committee members.

3.2 Standard Re-Application Embargo

If an application has

- (i) been refused after appeal
- (ii) has not been appealed and 30 days have passed or
- (iii) has been refused by either committee or full council

then the applicant cannot re-apply for the same or similar grant for a period not less than 12 months from the date of the expiration of the 30 days appeal deadline or the date of the final decision notice from an officer, committee or full council. Should a grant be re-applied for which is of a similar or same request to that which is under

the 12 month embargo it will automatically be turned down without appeal or the ability for a member to call it in (The Town Clerk, or the relevant officer, will provide details of the reasoning for application refusal).

D. Officer Support

If an officer believes the application is valid and meets the eligibility criteria, then the application shall be progressed to Committee.

E. Goes to Committee

Should an application be

- (i) progressed by an officer
- (ii) called-in by either 1 member of F&P or 2 non- F&P Committee members
or
- (iii) is successful in its appeal

then the committee shall deliberate over the application. This may require the applicant to come in just before the committee meeting to perform a presentation about the application submitted. Presentations usually take place just before the meeting (on the day of the meeting) and each applicant is given 15 minutes to present and answer questions. It is advised to leave about 8 minutes of your 15 minutes for questions to be asked by members.

Applicants must perform a presentation if they are requesting £1000 or more otherwise the application will not be progressed. Applicants are invited to the meeting at least 5 working days before the meeting. If an applicant confirms they cannot attend that date and time, then their application shall be deferred to a future meeting.

F. Referred to Full Council

Sometimes the F&P Committee does not have the authority or the ability to spend over certain amounts or from certain reserves. This results in a referral (or recommendation) to a Full Council meeting for a final decision over a grant the F&P committee wishes to support either in full or in part.

Full Council will either support the grant recommendation, turn it down or seek further information. If Full Council refuses the grant then that decision is final.

G. Successful

If a grant has gone through a committee (and Full Council if relevant) and is successful, then the applicant will be advised that they have 12 months to apply for the funding to be released. There are often conditions placed on the funding and some conditions will have to be met before any funds are released. The 12 months can be extended for larger, capital projects but are not usually extended for smaller

or event-type projects; unless the event is happening post the 12 month period and this was stated within the original grant request form.

H. Refused

If a grant has gone through a committee or Full Council and has been refused, then the applicant cannot re-apply or submit a further grant request for the same or a similar project for a period of 12 months. If an officer receives the same or similar request in this period, then it will automatically be refused without appeal or the ability for a member to call-in the application.

4.4 Guidelines for Grant Applications and Further Information

- 4.4.1 In most cases, if a grant has been successful in the past, then there will be a limit to the number of times the same or similar grant can be requested again.
- 4.4.2 If an organisation is successful in obtaining a grant in one financial year, it is unlikely it will receive another grant for a period of not less than 23 months.
- 4.4.3 It is a condition of any grant application that the group or project must bring direct benefit to the residents of Newquay. All applications must clearly demonstrate how this will be achieved.
- 4.4.4 Grant Aid application forms are available from the Town Clerk or from the Town Council website. Application forms must be submitted along with the latest set of the group's accounts. It is important that all questions on the application form are fully answered and that any appropriate additional information, which supports an application, is provided at the time of submission.
- 4.4.5 Grant applications cannot be made retrospectively.
- 4.4.6 The scheme provides start-up awards for new as well as grants for existing organisations. Applications will be considered for day-to-day running expenses and individual projects.
- 4.4.7 Applications from religious groups etc. will be considered where a clear benefit to the wider community can be demonstrated, irrespective of their religious beliefs. Compliance with this requirement will need to be demonstrated throughout the project.
- 4.4.8 Newquay Town Council will only grant aid to churches for parish clocks and possibly for environmental purposes. Church Halls can also be grant aided if they are used by the community.
- 4.4.9 Schools will only be grant aided for environmental purposes or if, in the opinion of Newquay Town Council, their application is for the benefit of the wider community. The project must also be in addition to statutory services.
- 4.4.10 Applications from education, health or social service establishments will be considered where the organisation can demonstrate that it is working in partnership with other groups and where there are benefits to the wider community within the parish. The project must also be in addition to statutory services.
- 4.4.11 Grant applications will be considered against the following criteria:
 - 4.4.11.1 *meeting the priorities as set out above*
 - 4.4.11.2 *meeting an identified need*
 - 4.4.11.3 *viability of the project*
 - 4.4.11.4 *majority of those to benefit should be residents of the Parish of Newquay*
- 4.4.12 Newquay Town Council reserves the right to reclaim the grant in the event of it not being used for the purpose specified on the application form.
- 4.4.13 Grants will only be awarded for forthcoming projects – not retrospectively.

- 4.4.14 It must be understood that any grant must only be used for the purpose for which it was awarded unless the written approval of Newquay Town Council has been obtained in advance for a change in use of the grant monies, and that any unspent portion of the grant must be returned to Newquay Town Council within 12 months of when the grant was awarded to the applicant.
- 4.4.15 Although Newquay Town Council will give as much help as possible, the administration of and accounting for any grant or subsidy shall be the responsibility of the recipient.
- 4.4.16 Newquay Town Council reserves the right to request any further information that it deems necessary to assist the decision making process. Account will be taken of the amount and frequency of previous awards and of the extent to which funding has been sought or secured from other sources or own fund-raising activities.
- 4.4.17 In the case of grants awarded for projects for which additional grant funding is to be sought to enable the project to proceed, the funds approved will be only be available to the organisation when all other funding is in place/secured and for a period of 12 months from the date Newquay Town Council approves the request (unless otherwise determined by the Council when approving the grant). Should the funds continue to be required for the project after the 12 month period, a Grant Renewal request must be submitted in writing to the Town Clerk outlining a full update, reasons for any delays and details of the short, medium and long-term project plan. This request will be administered by the Town Clerk and usually both the Finance and Policy Committee and Full Council.
- 4.4.18 Organisations seeking funds for buildings must demonstrate a reasonable security of tenure in the relevant property. The Town Council may seek a 1st charge to be placed on any land which may need to be purchased under the project to protect against any significant project risks.
- 4.4.19 On-going commitments to award grants or subsidies in future years will not be made. A fresh application will be required each year.
- 4.4.20 The size of any grant awarded is at the sole discretion of Newquay Town Council.
- 4.4.21 Newquay Town Council may make the award of any grant or subsidy subject to such additional conditions and requirements, as it considers appropriate.
- 4.4.22 Newquay Town Council reserves the right to refuse any grant application which is considered to be inappropriate or against the objectives of Newquay Town Council.

4.5 Banking Arrangements

The organisation should have a bank account in its own name with at least two authorised representatives required to sign each cheque.

5.0 Example of Normal Reasons for Officer/Automatic Refusal

This section provides details of possible reasons for an officer refusing an application. It is not an exhaustive list and attempts to provide clarity over some of the topics which are considered:

5.1 Officer Refusal

- 5.1.1 Application does not meet the eligibility criteria
- 5.1.2 Application is not complete
- 5.1.3 Further information requested on an application has not been received in good time and no-communication has been achieved with the applicant
- 5.1.4 Standard mandatory requirements are not in place/being met
- 5.1.5 Does not fit in with the Town Council's 4 year Strategy or the Key Priorities of the Town Council
- 5.1.6 Similar applications have been rejected
- 5.1.7 Following an established precedent
- 5.1.8 Such an application would set an unfair or unsustainable precedent for future applications of a similar nature
- 5.1.9 The project is considered too high risk for public funds to be contributed to it
- 5.1.10 The business case is considered flawed or unsustainable (if appropriate)
- 5.1.11 The Town Council does not hold any more funding for grants and there are no suitable reserves that could be utilised
- 5.1.12 Any other relevant reason(s) which are considered important enough to warrant refusal to safeguard the Town Council and the local public funds.

5.2 Automatic Refusal

An application will automatically be refused within no appeal rights if it is an application for the same or is similar to a previously refused application and has been submitted within the 12 months following the refusal (same applicant/organisation/family).

No requests will be considered from organisations or individuals who have outstanding obligations, commitments or disputes with the Town Council until such time as these are resolved to the satisfaction of the Town Council.

6.0 Deadlines

Officer Refusal Notice Issued

30 days from the date of the Refusal Notice to appeal or for a member to call-in the application to a future Committee meeting.

Refused by Committee/Full Council

Applicant cannot reapply for 12 months from the date of the Committee/Full Council Refusal Notice

Successful Grants

Subject to relevant conditions being in place, successful applicants have 12 months to request the release of the funds before it is automatically re-allocated. An extension can be requested, but this is usually only granted for larger, capital projects. If the funds are automatically re-allocated after 12 months, then the applicant would need to re-apply for the grant as well as submitting reasons for not drawing down the funds within the 12 months/extended time. There is no guarantee that such applications will be successful.

Application submission deadlines

The Council’s committees have a set calendar of meetings. This can be found on the Town Council website.

Grant Applications must be received at-least 1 month before the next meeting of the relevant committee for review and submission to that committee (if successful through the Officer Review stage).

The following outlines which committee is responsible for specific grants:

Committee	Key activities they would consider
Footpaths, Bridleways and Open Spaces	Open Spaces Enhancements, Environment Projects
Tourism and Leisure	Events, Tourism related
Finance and Policy	General Grants, Arts related, Sports related, capital projects, major capital/infrastructure/building improvement
Economic Development and General Purposes	Youth related, Christmas Lighting, CCTV

7.0 Appeals Procedure

7.0.1 The Appeals Procedure is only available to applicants at the initial stages of the process whereby an officer has issued an “Officer Refusal Notice”. The applicant has 30 days from the date of the “Officer Refusal Notice” to apply for an appeal to the decision, irrespective of when the applicant receives the Notice (*which may be via email or in the post*).

7.0.2 To appeal, the applicant needs to do any of the following:

7.0.2.1 *answer and justify any observations made to the satisfaction of the officer*

7.0.2.2 *provide information which is required by the officer*

7.0.2.3 *put forwards a strong case for an officer to re-view the decision taken*

- 7.0.2.4 *give further clarification on how the application meets the normal qualifying criteria*
- 7.0.3 An officer will take any appeal requests deemed valid to the committee Chairman/Vice Chairman to obtain approval to progress the application to committee or to refuse the appeal.
- 7.0.4 Applicants, who are appealing under 7.0.2.1-7.0.2.4 above, must make sure they correctly justify why their project does meet the normal criteria and does not conflict with any of the Town Council's strategies.
