It was noted that the access road on the western side of the development site is believed to be owned by the Duchy of Cornwall, but the accompanying plans appear to indicate the applicant has ownership. Members felt it would be appropriate to object to this development until they could be sure that a) access to the site via this side road was suitable for a development of this size, and b) that the issue around land ownership had been clarified. It was proposed by Cllr J Kenny, seconded by Cllr M Gardiner and RESOLVED unanimously to OBJECT to PA18/06239	10-Sep-18

Public comments submitted via the CC planning portal were noted, in particular the issue of houses 3&4 overlooking neighbouring gardens. Members also expressed their concern at the proposed level of parking provision and reiterated specifically to policy H4a of the Newquay Neighbourhood Plan, which they felt was especially relevant in this instance as this is an area of the town already subject to considerable parking pressures. However, Members wished it to be noted that they did not object to the development of this plot per se but would require such development to fully address the above comments. It was proposed by Cllr J Kenny, seconded by Cllr S Daniell and RESOLVED unanimously to OBJECT to PA18/07328	10-Sep-18

P286/18 (1)	<p>Conversion & extension of building to form six flats with associated parking and amenity. Kanelagh Court, Ranelagh House, 101a Henvor Road, Newquay TR7 3DN Mr Langley Not given Members welcomed the improvements made by the amendments made to this application, particularly in terms of issues around overlooking the neighbouring property. However, it was noted that the current proposals still did not meet the level of parking provision as set out in the emerging Newquay Neighbourhood Plan (Policy H4 – Parking for Residential Developments / 2 spaces for properties with 2 or more bedrooms). It was proposed by Cllr JH Kenny, seconded by Cllr D Cheney and RESOLVED unanimously to OBJECT PA18/06266.</p>	08-Oct-18
P286/18 (2)	<p>Advertisement consent to display advertisements on site hoardings. Cairn Close, Gannel Road, Newquay Mr Peter Burrows 181251 / 60816 Members expressed strong concerns that this proposal could present a not insignificant obstruction to motorists on what is known locally to be busy stretch of the public highway that has seen numerous road traffic accidents in recent years. Members also felt that the proposed advertising hoardings would be harmful to the character and appearance of the immediate area and that the proposal would conflict with policy 12 of the Cornwall Local Plan, which requires that development provides continuity with, and maintains/enhances, the distinctive natural and historic character of sites such as this sensitive riverside setting. It was proposed by Cllr M Gardiner, seconded by Cllr D Cheney and RESOLVED unanimously to OBJECT to PA18/07789.</p>	08-Oct-18
P286/18 (3)	<p>Outline planning permission with some matters reserved: Construction of single storey and formation of access 116 Bedowan Meadows, Tretherras, Newquay TR7 2SW Mr Stan Tall 182529 / 60798 Members agreed to raise no objection to the principle of developing this site but were keen to note the need for a comprehensive drainage strategy to accompany any future application. P286/18 (4)	<p>Outline application with all matters reserved for redevelopment of 2 Pentire Avenue to include 10 apartments with parking. 2 Pentire Avenue, Newquay TR7 1PA Mr Phil Smith / Cornovia Homes 179773 / 61477 Members were not against the principle of developing this site for flats/apartments but felt that the current proposals were too ambitious and represented a clear example of overdevelopment in an area of the town that has already been subject to a very significant level of growth. It was felt that a development that was truly 3 storeys would be more appropriate and acceptable. It was noted that the 'Transportation Advisory Note' accompanying the application makes reference to the proposed parking provision being in compliance with "...Cornwall Council's parking guidelines for rural areas." Members of Newquay Town Council's Planning & Licensing Committee wished to make it very clear that Pentire Avenue is in no way a rural area and that they would expect Policy H4 of the Newquay Neighbourhood Plan to be carefully considered by the developers, particularly in terms of providing 2 parking spaces for each property benefiting from 2 or more bedrooms. It was proposed by Cllr D Cheney, seconded by Cllr J Bell and RESOLVED unanimously to OBJECT to PA18/08221.</p>	08-Oct-18
P286/18 (5)	<p>Proposed construction of a new two storey terraced dwelling 7 Coronation Way, Newquay TR7 3JL Mr A Taylor 183422 / 62322 Members were concerned that the development would not be in keeping with the existing street scene and did not feel similarities drawn with permission PA12/08302 were relevant as the current proposal relates to a semi-detached property, not an end of terrace. It was noted that the application form indicates the current proposal would result in a reduction in the total number of parking spaces available. This is an area offering extremely limited on street parking (due in part to access required by busses and school traffic) and so Members wished to make it clear that, in line with policy H4 of the Newquay Neighbourhood Plan, they would want to see at least 2 parking spaces for each of the properties on this site (i.e. 4 in total) not just 1, as has been indicated on the application form. It was proposed by Cllr D Cheney, seconded by Cllr M Gardiner and RESOLVED unanimously to OBJECT to PA18/08371.</p>	08-Oct-18
P286/18 (6)	<p>Retention of balustrade with the addition of wooden screening. 28 Greenbank Crescent, Newquay TR7 3JY Mr Leigh Parker Not given Members noted this was a retrospective application with no impact in the immediate street scene. P286/18 (8)	<p>Non-material amendment for addition of ground floor WC to comply with building regulations. It was proposed by Cllr J Kenny, seconded by Cllr D Cheney and RESOLVED unanimously to maintain the committee's objection to PA18/06266 under the Five Day Protocol and to include Cllr J Kenny's comments around Policy H4 (Parking for Residential Development)	22-Oct-18
P305/18 (1)	Construction of a two-storey detached dwelling Land adj to 22 Riverside Crescent, Newquay, Cornwall Mr Maurice Hutton 178846 / 61346 Members noted that the applicant's agent has now amended the application form to state that 'an avenues have been explored' in terms of taking reasonable steps to ascertain who was the owner of the access road on Riverside Crescent. Members would like confirmation that these 'avenues' of enquiry included contacting the Duchy of Cornwall, as other representations clearly suggest a local understanding that the Duchy are the owners the land in question. Aside from the issues of land ownership, Members continued to have concerns that access to the site via this side road was not suitable for a development of this size. It was proposed by Cllr J Kenny, seconded by Cllr D Cheney and RESOLVED unanimously to OBJECT to PA18/06266. Cllr J Kenny abstained from voting.	22-Oct-18
P305/18 (2)	Proposal for the erection of dwelling (as previously approved under PA14/10508 dated 19.12.2014) Land north of 26 Chyverton Close, Newquay, Cornwall Mr Brian Biscard 181077 / 60893 It was proposed by Cllr D Cheney, seconded by Cllr M Gardiner and RESOLVED unanimously to raise NO OBJECTION to PA18/07923. P305/18 (3)	Conversion of Grade II listed former chapel to four apartments, demolish flat roof extension and erect five apartments St Columb Minor Methodist Church, Church Street, St Columb Minor, Newquay Mr John Lenton 183917 / 62150 It was noted that parking pressures are already a concern around the church street / beach road area of St Columb Minor and so Members wished attention to be drawn to the emerging Neighbourhood Plan, policy H4, which requires 2 parking spaces to be provided where a property has two or more bedrooms. Members felt that the current proposals did not provide the adequate parking that would be required for a development of this size and queried whether the flat roof extension would be better replaced by a smaller development. It was proposed by Cllr D Cheney, seconded by Cllr M Gardiner and RESOLVED unanimously to OBJECT to PA18/08087.	22-Oct-18
P305/18 (4)	Listed building consent for conversion of Grade II listed former chapel to four apartments, demolish flat roof extension and erect five apartments St Columb Minor Methodist Church, Church Street, St Columb Minor, Newquay Mr John Lenton 183917 / 62150 Members agreed that without a viable use the existing chapel would certainly continue to decay and were not therefore opposed to the idea of re-purposing the building for residential use. However, in terms of the impact of the current proposal upon the inherent architectural character of this Grade II listed building, Members felt their decision would need be informed by consultee comments from the Heritage Officer/Historic England. No decision made (the above comments to be submitted via the Planning Portal)	22-Oct-18
P305/18 (5)	Conversion of bar and night club to 5 no. residential flats and 2 no. retail units including vertical extension to create second floor level. 1 Beach Road, Newquay TR7 1ES Mr Michael Wilson 180830 / 61653 Members agreed they were not against the re-purposing of this building for residential/retail use and it was felt this was not a location where the Neighbourhood Plan policy H4 (parking) could be imposed. However, it was noted that the key principles of policy D1 had not been adhered to and concerns were raised around the significant increase in height of the building. The comments made by the Public Protection team were also of concern to Members who fully supported the points made and the need for a more robust noise report in order to ascertain the full extent of external noise and adjacent food outlets upon the residential element of the development. It was proposed by Cllr J Kenny, seconded by Cllr D Cheney and RESOLVED unanimously to OBJECT to PA18/08239.	22-Oct-18
P305/18 (6)	Proposed Dwelling Land to the rear of the Pharmacy, 1 Chester Road, Newquay, Cornwall Mrs A Nickel 182370 / 62020 Members agreed they did not have any issues with the principal or developing this site but were concerned there was only one parking space proposed.
