

# VIRTUAL FUNDRAISING

Ideas for how you can fundraise for your group or organisation from your homes

## Idea

Virtual Dinner Party

Virtual Green Festival

Virtual Talent Show

## Bit more info

If your organisation is in the creative and performing arts communities, a virtual talent show might be a great way for the community to still see the great creative efforts of your team without needing to crowd into a theatre setting. Simply request registrations in advance using an [event registration app](#), and then provide a virtual ticket to access the talent show via a link you provide.

Using a service like YouTube Live, you can live stream your event to the attendees, and let your performing community shine!

Virtual Open Mic Night

When it's your community that has the knowledge and creative talents to share, how about turning the camera and audio on them? You could host an open mic night, where attendees can all join a group video meeting, and then virtually raise their hand to host the microphone.
